Through Music and Dance, toward the One, within and without

Dear Dancing Friend,

Thank you for your interest in becoming a member of the Leaders Guild UK.

DUPUK exists to support Dances of Universal Peace, and to promote their spread and development to new areas and new people. It is associated with the Dances of Universal Peace International (DUPI), and membership in this country automatically confers membership of the DUP International.

Membership of the Leaders Guild UK includes membership of the Leaders Guild International, and the fees include the requisite fee, which is passed on to DUP International on behalf of the Leaders Guild UK member.

Membership also includes Public Liability Insurance to cover DUPUK events against damage to property or person taking part.

The current subscription rate is shown below. Please note that most people now pay by annual standing order. For you this means no more renewal cheques to write, and it reduces administrative work.

Overleaf is a membership application form and details about how to make payments.

We hope you will join us.

In peace,

Stella Cranwell, Administrator.
